

# Stand Up And Be Counted

Key of D

Rebecca Beese

Em G A Em G D

Intro:

## Verse 1:

There are people who will try to make you do what they want you to  
Those who will push you To be somebody else  
There are those who are only thinking Of what you can do for them  
So to you, little man This is what I say

## Chorus:

Stand up and be counted  
Have strength to turn and walk another way  
Be strong and courageous  
Fighting hard for those who stand at the side of you  
Have faith in your convictions  
Don't let others water them down  
Search out grace and understanding  
Find a way to be true to the man inside of you

## Verse 2:

There'll be times when you'll want to give up and walk away  
When no one is listening to a word you have to say  
When frustration and failure feel like they're here to stay  
So for you, little man this is what I pray
